MEMBERSHIP: Geraldton Junior Triathlon Club Members pay \$15.00 as a member and then \$2 per event.

You can choose to be a Non-member of the Junior Triathlon Club but you will be expected to pay \$5 per event and will not be eligible for championship points or end of year awards.

Registrations can be done online at

<https://www.registernow.com.au/secure/Register.aspx?E=28157>

Racing starts at 9.00am. So it is important to get to the marshalling area at St Georges beach (Rundle Park) by no later than 8.30am for registration and equipment set-up.

If your child is under 7 years of age and they are keen to compete in junior triathlons and you as their Guardian are happy for them to compete in triathlons then a parent or senior (over 16 years of age) family member must compete and escort your child throughout the entire race. If you have more than one child competing in the junior event it is important to communicate the possible need for child supervision to the race director before the event starts.

Your child's racing equipment must be in good working

order.

Your child's cycle helmet must meet the basic standards as set down by the Cycling Council of Western Australia and must be secured firmly around your child's head before removing their bike from the bike rack.

Your child's bike must have as a minimum, one (1) brake system that is in good working order and the bike must be in good working order. Your child will not be allowed to compete unless this requirement is adhered to.

Your child must have enclosed foot wear (running shoes are the suggest foot attire) while competing in the cycle and running component of the triathlon. If the foot wear has laces, the laces must be tied securely before your child can continue.

It is extremely important to encourage your child to be SUN SMART while competing in the junior events.

To encourage this, a hat, 30+ sunscreen and appropriate clothing is suggested.

It is also important to ensure your child has a basic level of swimming competence. As the child's parent/Guardian, no matter the child's age it is important to ensure that your child can swim the nominated distance as set out in the fixtures in conditions experienced at St George's beach on the day of competition.

NOTE: Beach conditions at St Georges are generally good with only a small swell affecting the swimming conditions.

Age group Club Championship points will be counted over all junior fixtures for each individual age group.

Individuals will need to be a financial member before any Club Championship points can be counted. If an individual competes under a day license they will not be eligible to receive championship points for that event.

- 1st place = 5 championship points
- 2nd place = 4 championship points
- 3rd place = 3 championship points
- 4th place = 2 championship points
- 5th place = 1 championship points
