## Club Information

We encourage participants of all abilities ... "surprise yourself - come and have a go!"

Geraldton Tri Club Members pay \$3 per event.

Non-members pay \$15 per event.

Non-Member Teams pay \$20 per event

We welcome all family members.

Children must be in Year 7 high school at the time of competition and deemed competent by their parents and the Tri Club committee.

Even though the race distances are marked for each course on the day, members are allowed to alter the distances of each leg to suit their needs/fitness or ability. You just need to inform the timer keeper that you have altered your course distance. You will not be eligible for Championship or Double Up Series points.

The cycle leg for all events are non-drafting. On the cycle leg you must be at least 5 meters behind the person in front of you unless you are overtaking. If you have been overtaken you are not allowed to spend time in the slip stream and must let the overtaking person get 5 meters in front before attempting to re-overtake. Penalties will apply.

## Tri Club Marshaling

For the Geraldton Triathlon Association to continue to be a success everyone must help out - it is a hallmark of our club. Each week we require 3 people to basically set up, run the day and then pack up. We roster tri club members on to do this so the load is shared. **Marshals are the most important people in our club - without them we would not be able to run an event!**

### Marshal's Responsibilities:

- The contact person for marshaling is Marshaling Coordinator Peter Hearne 0488 151 551.
- If the nominated Marshal cannot attend the event that they have been rostered on for, it is their responsibility to find a replacement before the nominated date.
- Marshals' need to be at St Georges Beach at 7.00am on Sunday mornings ready to begin setting out equipment. Due to the requirement of setting out road signs for the cycle course it is recommended that all Marshals' drive a vehicle to the event.
- It is the marshals' responsibility to have the swim, ride and run courses set up and ready for competition 20 minutes before the nominated start time of the event.
- Marshals' to be ready for competitors' registration 1 hour prior to the race start
- Marshals' to confirm with the Race Day Coordinator the race directions and any special conditions for the day.

As a Marshal, you have one (1) possibly two (2) events to organise for the season. Please take this responsibility seriously as the club cannot function without you!

## Double Up Series

The Geraldton Triathlon Association will be running a new series this year. The Double Up series is designed to provide a different challenge for the short and long course members. The Double Up Series will be a three-race series where short course competitors will complete two enticer courses and long course competitors will complete two short courses. One after the other i.e.

Short Course = 300m swim, 7km ride, 2km run, 300m swim, 7km ride, 2 km run.
